Swimming Goggles Disclaimer

Dear Parents/Carers,

If you would like your child to wear goggles whilst swimming, please read the following before completing the slip below:

The advice from the pool is that they prefer children not to wear goggles during these sessions, and make it clear that they accept no responsibility for any damage or injury to the child caused by the wearing of goggles. I have to tell you that the school supports this view and, likewise, accepts no responsibility for any damage or injury to your child caused by the wearing of goggles. The responsibility for the wearing of these items rests with you, as parents.

I have been assured by the pool that the level of chlorine in the water should not affect children for the short period of time that they are in contact with the water.

I am sure you will agree with me that the safety of your child is of paramount importance. Thank you for your support.

Yours sincerely,

Mr Keith Smithard
Head Teacher
