

We help families by

- Assisting parents to liaise and engage with school
- Supporting Parents in referrals to other agencies
- Improving participation of parents/carers with their children's learning.
- Offering emotional support to parents/children and young people in need.
- Providing access to parenting programmes.

School Family Support Worker Service

Family Support Workers work with families identified by the partnership as needing additional help. They are experienced practitioners who can offer advice and support to schools and families on:

- Attendance
- Bereavement or loss
- Bullying
- Changing schools/transition
- Disabilities and illness
- Domestic violence/abusive relationships

Parenting Programmes

All our Family Support Workers are trained Parent Group Leaders for the Nurturing Programme: Parenting Puzzle which is an evidence based programme.
Please contact Christine James for more details.

- Family breakdown
- Financial concerns
- Help with your child's learning
- Housing concerns
- Internet safety
- Issues with smoking, drugs and alcohol
- Managing challenging behaviour
- Parenting skills
- Protective behaviours for children
- Support for families with children with additional needs

All our family support workers are qualified to at least NVQ Level 3 in supporting parents in the community. If we cannot help with your particular problem or query, we will know someone who can.

Please note we are a term-time service only.
