St. Giles' Church of England Primary School (VA)

This is St Giles' C of E Primary School Publication Scheme on information available under the Freedom of Information Act 2000

1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is either available for you on our website to download and print off or available in paper form. Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the latest model scheme for schools approved by the Information Commissioner.

We endeavour to make as much information as possible available online. The classes, below, provide links to information which is available. If any of the information is not available online, the scheme will explain how it can be accessed. We will continue to develop this scheme to increase the amount of information that can be accessed through it.

The school does not charge for information which is accessed on our website. However, we may pass on costs for reproducing information or providing it in alternative formats, and we do charge for some specialist information services. Details of these costs are listed in the **Schedule of Charges**.

2. How to request information

If you require a paper version of any of the documents within the scheme, please contact the school by telephone, email or letter. Contact details are set out below or you can visit our website at www.stgiles.herts.sch.uk

Email: admin@stgiles.herts.sch.uk

Tel: 01707 642170

Contact Address: Blanche Lane, South Mimms, Herts, EN6 3PE

To help us process your request quickly, please clearly mark any correspondence "**PUBLICATION SCHEME REQUEST**" (in CAPITALS please)

If the information you're looking for isn't available via the scheme and isn't on our website, you can still contact the school to ask if we have it.

3. Paying for information

Information published on our website is free, although you may incur costs from your Internet service provider. If you don't have Internet access, you can access our website using a local library or an internet café.

Single copies of information covered by this publication are provided free unless stated otherwise in section 4. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos we will let you know the cost before fulfilling your request. Where there is a charge this will be indicated by a £ sign in the description box.

FREEDOM OF INFORMATION - CHECKLIST FOR ACTION ON RECEIPT OF A REQUEST FOR INFORMATION

- Decide whether the request is a request under DPA, EIR or FOI
- Decide whether the school holds the information or whether the request should be transferred to another body if the information is held by them
- Provide the information if it has already been made public
- Inform the enquirer if the information is not held
- Consider whether a third party's interests might be affected by disclosure and if so consult them
- Consider whether any exemptions apply and whether they are absolute or qualified
- Carry out a public interest test to decide if applying the qualified exemption outweighs the public interest in disclosing the information
- Decide whether the estimated cost of complying with the request will exceed the appropriate limit (still to be agreed but expected to be around £500)
- If a request is made for a document that contains exempt personal information, ensure that the personal information is removed by applying the redaction procedure. All information released should comply with GDPR.
- Consider whether the request is vexatious or repeated

Remember

Schools are under a duty to provide advice and assistance to anyone requesting information.

The enquirer is entitled to be told whether the school holds the information (the duty to confirm or deny) except where certain exemptions apply.

A well managed records and management information system is essential to help schools to meet requests.

Requests should be dealt with within 20 days excluding school holidays.

Wilfully concealing, damaging or destroying information in order to avoid answering an enquiry is an offence. A valid FOI request should be in writing, state the enquirer's name and correspondence address and describe the information requested.

Expressions of dissatisfaction should be handled through the school's existing complaints procedure.

This document will be reviewed annually.
